

Appendix No. 2

to the Minutes of the Board of JSC "ALT University"
from 05/28/2024 No. 1-1/24

for educational services provided by JSC "ALT University" for the 2024-2025 academic year (for 2nd, 3rd and 4th years)

№	Direction of personnel training	Group of educational programs	Name of the educational program	2023	2022	2021
				Well		
BACHELOR'S DEGREE				2	3	4
1	Transport services	B095 Transport services	6B11326 Organization of transportation, movement and operation of transport	834 600	744 185	686 025
			6B11328 Industry Service Management	834 600	767 085	
			6B11367 Traffic management	834 600	767 085	
			6B11330 Transport logistics	856 000	767 085	664 040
2	Engineering and engineering	B065 Motor vehicles	6B11333 Digital Logistics	856 000	767 085	
			6B07116 Wagons		658 320	612 520
			6B07117 Locomotives		658 320	612 520
			6B07118 Track and road machines		658 320	612 520
		B065 Transport and transport equipment	6B07119 Automobiles and automobile industry		658 320	612 520
			6B07137 Rolling stock engineering	749 000		
			6B07134 Automobiles, track and construction machines	749 000		
		B063 Electrical Engineering and Automation	6B07173 Rolling Stock Engineering (Omsk State University of Railways)	749 000		
			6B07120 Automation and control	856 000	686 940	637 020
			6B07140 Cybersecurity of Digital Systems	802 500		
			6B07128 Railway track and track facilities	749 000	606 800	563 520
			6B07129 Bridges, tunnels and subways	749 000	606 800	563 250
			6B07130 Highways and airfields	749 000	606 800	563 250
			6B07131 Linear pipelines	749 000	606 800	563 250
B062 Electrical Engineering and Power Engineering	6B07121 Electric power industry	856 000	686 940	637 020		
	6B07188 IT Energy	856 000	686 940			
B064 Mechanics and metalworking	6B07138 Mechanical Engineering	695 500				
3	Communications and communication technologies	B059 Communications and communication technologies	6B06208 Telecommunication systems and railway networks	856 000	744 185	
			6B06209 Radio engineering, electronics and telecommunications	856 000	744 185	686 025
4	Architecture and construction	B073 Architecture	6B07330 Architecture of buildings and structures	856 000		
			6B07321 Construction of bridges, tunnels and subways	856 000	606 800	
		B074 Urban development, construction works and civil engineering	6B07322 Construction of oil and gas facilities	856 000	606 800	
			6B07323 Railway construction, track and track facilities	856 000	606 800	
			6B07324 Construction of highways and airfields	856 000	606 800	
B075 Cadastre and land management	6B07329 Construction of industrial and civil structures	856 000				
5	Information and communication technologies	B057 Information Technology	6B07331 Cadastre and urban planning	749 000		
6	Occupational Health and Safety	B094 Sanitary and preventive measures	6B06116 Information Systems	802 500		
			6B11236 Occupational health and safety and environmental protection in transport	749 000		
7	Business and Management	B044 Management and Administration	6B04142 Economics and Management (by industry)	749 000		
Full-time education with the use of DOT						
For all educational programs				2nd year	3rd year	4th year
				457 960	429 340	
MASTER'S DEGREE				2nd year		
1	Transport services	M151 Transport services	7M11351 Organization of transportation, movement and operation of transport (specialized 1.5 years)	834 600		
			7M11352 Organization of transportation, movement and operation of transport (scientific and pedagogical, 2 years)	834 600		
		M152 Logistics (by industry)	7M11353 Economy, ecology and infrastructure in high-speed rail transport (scientific and pedagogical, 2 years)	834 600		
			7M11354 Logistics (by industry) (specialized 1.5 years)	856 000		
			7M11355 Logistics (by industry) (scientific and pedagogical, 2 years)	856 000		
			7M11356 Resource-saving production logistics (scientific and pedagogical, 2 years)	856 000		
M100 Electrical Engineering and Automation	7M07143 Management of technological complexes (specialized 1.5 years)	856 000				
	7M07144 Automation and Control (scientific and pedagogical, 2 years)	856 000				
M104 Transport, transport equipment and	7M07145 Rolling stock of railways (profile 1.5 years)	749 000				
	7M07146 Rolling stock of railways (scientific and pedagogical, 2 years)	749 000				

2	Engineering and engineering technologies		7M07147 Automobiles and road equipment (specialized 1.5 years)	749 000
			7M07148 Automobiles and road equipment (scientific and pedagogical, 2 years)	749 000
		M099 Electrical Engineering and Power Engineering	7M07149 Electric Power Engineering (specialized 1.5 years)	856 000
			7M07150 Electric Power Engineering (scientific and pedagogical, 2 years)	856 000
		M210 Main networks and infrastructure	7M07162 Transport Infrastructure Engineering (specialized 1.5 years)	749 000
			7M07161 Transport Infrastructure Engineering (scientific and pedagogical, 2 years)	749 000
3	Communications and communication technologies	M096 Communications and Communication Technologies	7M07159 Transport structures (scientific and pedagogical, 2 years)	749 000
			7M06233 Radio engineering, electronics and telecommunications (specialized 1.5 years)	856 000
4	Architecture and construction	M126 Transport construction	7M06234 Radio engineering, electronics and telecommunications (scientific and pedagogical, 2 years)	856 000
			7M07346 Transport construction (scientific and pedagogical, 2 years)	856 000
5	7M041 Business and Management	M072 Management and Administration	7M07345 Transport construction (specialized, 1.5 years)	856 000
			7M04166 Economics and Management (specialized, 1.5 years)	749 000
		M075 – Marketing and advertising	7M04167 Economics and Management (scientific and pedagogical, 2 years)	749 000
			7M04163 - Marketing and business analytics (scientific and pedagogical, 2 years)	749 000
DOCTORAL STUDIES				
1	Transport services	D147 Transport services	8D11361 Organization of transportation, movement and operation of transport	2nd year of study 2 033 000
		D148 Logistics by industry	8D11362 Logistics (by industry)	2 033 000
2	Engineering and engineering	D104 Transport, transport equipment and technologies	8D07159 Transport, transport equipment and technologies	2 033 000
		D100 Automation and Control	8D07158 Automation and control	2 033 000
		D099 Power Engineering and Electrical Engineering	8D07160 Electric power industry	2 033 000
		D210 Backbone Networks and Infrastructure	8D07164 Transport Infrastructure Engineering	2 033 000
		D310 Transport facilities	8D07165 Transport structures	2 033 000
3	Communications and communication technologies	D096 Communications and Communication Technologies	8D06255 Radio engineering, electronics and telecommunications	2 033 000
MILITARY TRAINING RATE ON A REIMBURSED (PAID) BASIS				
1	Military training under reserve officer programs for ALT students			2nd year of study 250 000
2	Military training under reserve officer programs for students of other universities			350 000

Financial Director

N.U. Kazhigaliyev
