

Guest Lecture Schedule for the 2025-2026 Academic Year

No.	Lecture Topic	Date	Lecturer's Full Name, Position	Organization	Type	Department/Division	Responsible Person
1.	"Management structure of the Signaling and Communication department"	September, 2025	Alkenov D.A., Director of the Department of Automation, Telemechanics and Telecommunications of the branch	Branch of JSC "NC "KTZ" — "Mainline Network Directorate"	Guest Lecture	Career Development Office	Rysbayeva N.K., Head of CDO
2.	"Current state of signaling and communication devices, plans for development, modernization and current maintenance (production program)"	September, 2025	Bisenev T. G., Deputy Director of the Department of Automation, Telemechanics and Telecommunications of the branch	Branch of JSC "NC "KTZ" — "Mainline Network Directorate"	Guest Lecture	Career Development Office	Rysbayeva N.K., Head of CDO
3.	"Iron Will - The Iron Road to Success"	September, 2025	Bubikanov A. S., Executive Director for Operations of the branch	Branch of JSC "NC "KTZ" — "Mainline Network Directorate"	Leadership Lecture	Career Development Office	Rysbayeva N.K., Head of CDO
4.	"Application of microprocessor-based dispatch centralization in railway transport"	September, 2025	Kuanshbayev M. N., Head of the division	Almaty Signaling and Communication Division of the branch of JSC "NC "KTZ" - "Almaty branch of the main network"	Guest Lecture	Career Development Office	Rysbayeva N.K., Head of CDO
5.	"The current state of Radio Engineering, Electronics and Telecommunications"	October, 2025	Shelakov V. E., Area Sales Director	"Phywe" company	Guest Lecture	Department of "Radio Engineering and Telecommunications"	Musapirova G.D., Head of the RT Dept.
6.	"Introduction to CCI. Internship and practical training programs for students"	October, 2025	Narbay A., Talent and Capability Dev.	LLP "Joint Venture Coca Cola Almaty Bottlers"	Guest Lecture	Career Development Office	Rysbayeva N.K., Head of CDO

7.	1. "Upper structure of the track in the tunnel" 2. "Operation of turnouts and cross-overs in the Almaty metro"	October, 2025	Mamyrbekov E. Zh., Chief Engineer of the track service	SRE "Almaty Metro"	Guest Lecture	Career Development Office	Rysbayeva N.K., Head of CDO
8.	"KazAgroFinance: opportunities for young professionals and farmers in agribusiness"	October, 2025	Igenbayeva K. B., Credit Specialist	JSC "KazAgroFinance"	Guest Lecture	Department of "Transport Services and Business"	Sugurova A.Zh., Ass. Prof. Ph.D. of Economic Sciences, Eleshova Zh.B., Senior Lecturer Igenbayeva Sh.A., Ass. Prof. Teacher Demeuova K.Zh. Senior Lecturer
9.	"Compliance with safety regulations and labor protection during track work in accordance with order No. 981"	October, 2025	Anarbekov N. N., Industrial Training Master	Almaty Track Division of the branch of JSC "NC "KTZ" - "Almaty branch of the main network"	Guest Lecture	Career Development Office	Rysbayeva N.K., Head of CDO
10.	"Permissible distances to live parts"	October, 2025	Zhanseitov T. K., Lead Engineer of OT and TB	Almaty Power Supply Division of the branch of JSC "NC "KTZ" - "Almaty branch of the main network"	Guest Lecture	Career Development Office	Rysbayeva N.K., Head of CDO
11.	"Conducting maintenance of passenger cars at formation and turnover points"	October, 2025	Abubakirov R. E., Chief Engineer	Branch of LLP "KTZ-Freight transportation" - "Almaty branch of FT"	Guest Lecture	Career Development Office	Rysbayeva N.K., Head of CDO
12.	"Organization of the work of operational personnel in railway transport"	October, 2025	Turgaliev A. E., Head of RCMD-2 of the branch	Branch of JSC "NC "KTZ" - "Almaty branch of the main network"	Guest Lecture	Department of "Transport Services and Business"	Vakhitova L.V., Ass. Prof. Bekmagambetova L.K. Ass. Prof., PhD
13.	"Transport and technological systems of transportation. Types of foreign trade transport operations"	October, 2025	Akhmetova R.K., Director	LLP "AstraAlmaty"	Guest Lecture	Department of "Transport Services and Business"	Musaliyeva R.D. Ass. Prof., Ph.D. of Eng. Sciences

14.	"Path to career success: resume, interview, time management and stress management"	October, 2025	Lavrinenko A., Business coach	LLP "Inkrazh" - GC LLP "Shin-Line"	Guest Lecture	Career Development Office	Rysbayeva N.K., Head of CDO
15.	"On the activities of "KAP Logistics" LLP - a subsidiary of JSC "NAC "Kazatomprom""	October, 2025	Absattarov K. B., Managing Director for PR and General Affairs	LLP "KAP Logistics"	Leadership Lecture	Career Development Office	Rysbayeva N.K., Head of CDO
16.	"Features of contact network diagnostic systems"	October, 2025	Dauylbayev S. B., Head of the division	Almaty Power Supply Division of the branch of JSC "NC "KTZ" - "Almaty branch of the main network"	Guest Lecture	Department of "Power Engineering"	Koishibayeva K.Zh., Senior Lecturer
17.	"IGBT inverters in modern locomotives"	October, 2025	Shertaev D. M., Project Manager for Industrialization at "EKZ Service" LLP, Head of the Almaty Depot section	"EKZ Service" LLP	Guest Lecture	Department of "Rolling Stock"	Chigambayev T.O., Head of Dept.
18.	"Types of planned repairs for passenger cars"	October, 2025	Abubakirov R. E., Chief Engineer	Branch of LLP "KTZ- Freight transportation" - "Almaty branch of FT"	Guest Lecture	Department of "Rolling Stock"	Chigambayev T.O., Head of Dept.
19.	"The Power of Words: How to Write to Impress and Persuade"	October, 2025	Kruglova I.S. Senior Lecturer	JSC "AlmaU University"	Guest Lecture	Department of "Language Education"	Smailova F.I., Head of the LE Dept.
20.	"How to think critically and make the right decisions"	October, 2025	Tashbulatova M.K., Assoc. Prof., Saudabekova E.K., Assoc. Prof.	NAO "Narxoz University"	Guest Lecture	Department of "Language Education"	Smailova F.I., Head of the LE Dept.

21.	1. "Regulation on the electromechanical devices service" 2. "Technical characteristics of metro escalators." 3. "Technological process for the operation and maintenance of escalators"	November, 2025	Satov Zh. K., Chief Engineer of the electromechanical devices service	SRE "Almaty Metro"	Guest Lecture	Career Development Office	Rysbayeva N.K., Head of CDO
22.	"Continuous monitoring of the condition of traction transformers"	November, 2025	Saidalin Erlan Serikovich, Deputy Head	Central Electrotechnical Laboratory of the Department of Electrification and Energy of the branch of JSC "NC "KTZ" - "Mainline Network Directorate"	Guest Lecture	Department of "Power Engineering"	Utepbergenova S.M., Assistant Professor, Ph.D. in Technical Sciences (RF)
23.	"Overview course on the networks and services of "Kazakhtelecom" JSC"	November, 2025	Bashkulov O. K., - Technical Mentor Abugaliev Zh. B., - Technical Mentor Otradnykh V. M., - 1st category Teacher	Corporate University - branch of "Kazakhtelecom" JSC	Guest Lecture	Career Development Office	Rysbayeva N.K., Head of CDO
24.	"Application of AI in railway transport today"	November, 2025	Uvarovsky P. Yu.	LLP "IPrav", Astana	Guest Lecture	Department of "Transport Construction"	Ismagulova S.O., Ass. Prof. of the TC Dept.
25.	"AI in track maintenance"	November, 2025	Murzinov S. M.	LLP "IPrav", Astana	Guest Lecture	Department of "Transport Construction"	Ismagulova S.O., Ass. Prof. of the TC Dept.
26.	"Operation and adjustment of the automated system of the rolling stock complex. ASRS"	November, 2025	Rakhmetova B.S., Technical Documentation Engineer	Almaty Signaling and Communication Division of the branch of JSC "NC "KTZ" - "Almaty branch of the main network"	Guest Lecture	Department of "Automation and Control"	Karymsakova N.T., Head of the AC Dept.

27.	"Innovative solutions and features in road design"	November, 2025	Oshanov A. E., Director	"Saulet-SKB" LLP	Guest Lecture	Department of "Architecture and Construction Engineering"	Dyusengalieva T.M. Ass. Prof., Ph.D. of Eng. Sciences
28.	"Procedure for issuing invoices and shipping documents"	November, 2025	Nurmukhambetova M. A., Lead Engineer of the department of organization and conditions of transportation	Branch of LLP "KTZ - Freight Transportation" - "Almaty branch of FT"	Guest Lecture	Career Development Office	Rysbayeva N.K., Head of CDO
29.	"Shunting operations at the station"	November, 2025	Zhagiparov Zh. Zh., Machinist-Instructor of locomotive crews	Branch of LLP "KTZ - Freight Transportation" - "Almaty operational locomotive depot"	Guest Lecture	Career Development Office	Rysbayeva N.K., Head of CDO
30.	"Ensuring the safety of train traffic on station tracks"	November, 2025	Kuandykov E. M., Chief Engineer of Almaty-1 station	Branch of JSC "NC "KTZ" - Almaty-1 Station	Guest Lecture	Department of "Transport Services and Business"	Musabaev B.K., Ass. Prof., Ph.D. of Engineering Sciences Abibullaev S.Sh., Ass. Prof., Ph.D. of Engineering Sciences Aipenov Zh.S. Senior Lecturer
31.	"Approaches to developing an AI system for geophysical soil control"	November, 2025	Bykov A. A., Head of the "Computer Engineering" Dept., IITU, Ph.D. in Technical Sciences, Assoc. Prof.	JSC "International Information Technology University"	Guest Lecture	Department of "Radio Engineering and Telecommunications"	Tulemisov T.T., Senior Lecturer of the RT Dept.
32.	"Career opportunities at BI Group"	November, 2025	Dmitrieva E. S., Manager of the Talent Management Department	LLP "BI Group"	Guest Lecture	Career Development Office	Rysbayeva N.K., Head of CDO
33.	1. "Work of a train dispatcher" 2. "Organization and technical support of station operations"	December, 2025	Omarbayev E. T. Chief Dispatcher of the traffic service, Shakirzhanov B. B., Head of the	SRE "Almaty Metro"	Guest Lecture	Career Development Office	Rysbayeva N.K., Head of CDO

			station of the traffic service				
34.	"Modernization and increasing the reliability of the contact network design at high train speeds"	December, 2025	Muratuly M., Training Master	Karaganda Power Supply Division of the branch of JSC "NC "KTZ" - "Karaganda branch of the main network"	Guest Lecture	Department of "Power Engineering"	Utepbergenova S.M., Assistant Professor, Ph.D. in Technical Sciences (RF)
35.	"Thermal insulation of a smart home"	December, 2025	Yumankova S.A., PR Manager	LLP "Saint-Gobain"	Guest Lecture	Department of "General Engineering"	Akhmetova P.T., Ass. Prof., Ph.D. of Eng. Sciences, Beisenbayeva K., Ass. Prof., Ph.D. of Phys. and Math. Sciences Dyachenko E.A. Ass. Prof., Ph.D. of Phys. and Math. Sciences
36.	"Innovations, people and technology. The story of the ""Alageum Electric"" company"	December, 2025	Tazhibayev A. A., General Director	ETC "Alageum Engineering"	Leadership Lecture	Career "Development Office"	Rysbayeva N.K., Head of CDO
37.	"Features of aerodrome construction"	December, 2025	Utepov A. T., Deputy General Director	RSE "Kazaeronavigatsia"	Guest Lecture	Career Development Office	Rysbayeva N.K., Head of CDO
38.	"On road safety issues"	December, 2025	Masanov A. Zh., Director	LLP "KazSRI R S"	Guest Lecture	Department of "Architecture and Construction Engineering"	Murzalina G.B. Ass. Prof., Ph.D. of Engineering Sciences
39.	"Alstom: your path to the future starts here"	December, 2025	Gabbasov A., Talent Acquisition Leader (Recruitment Manager)	LLP "Alstom Kazakhstan"	Leadership Lecture	Career Development Office	Rysbayeva N.K., Head of CDO

40.	1. "Fire safety requirements of the metro" 2. "Civil defense protective structures (metro)"	January, 2026	Chernikov A. A., Senior Inspector of Fire Safety, Niyazov R. C., Civil Defense Inspector (Militarized Emergency Rescue Service)	SRE "Almaty Metro"	Guest Lecture	Career Development Office	Rysbayeva N.K., Head of CDO
41.	1. "The principle of operation of the ATCS system when moving in CBTC mode" 2. "Fundamentals and principle of operation of the operational and technological communication system of the Almaty metro"	February, 2026	Kasymov D., Head of the ATCS section, Tasybayev N., Head of the communication section (Automation, signaling and communication service)	SRE "Almaty Metro"	Guest Lecture	Career Development Office	Rysbayeva N.K., Head of CDO
42.	"Start your career with understanding. The ""Alageum Electric"" company from the inside"	February, 2026	Kadylbekov S. K., Engineer of the production department	JSC "Electromontazh"	Leadership Lecture	Career Development Office	Rysbayeva N.K., Head of CDO
43.	"Types of power equipment"	February, 2026	Aitkazin E. A., Head of the RCD	Almaty Power Supply Division of the branch of JSC "NC "KTZ" - "Almaty branch of the main network"	Guest Lecture	Career Development Office	Rysbayeva N.K., Head of CDO
44.	"Scientific news and achievements in the road industry"	February, 2026	Takebaev A. K.	Branch of JSC "NC "KazAvtoZhol" in Zhetysu region	Guest Lecture	Department of "Architecture and Construction Engineering"	Murzalina G.B. Ass. Prof., Ph.D. of Engineering Sciences Dyusengalieva T.M. Ass. Prof., Ph.D. of Engineering Sciences
45.	"In-transit cargo operations"	February, 2026	Gazymkyzy A. Lead Engineer of the department of	Branch of LLP "KTZ - Freight Transportation" -	Guest Lecture	Career Development Office	Rysbayeva N.K., Head of CDO

			organization and conditions of transportation	"Almaty branch of FT"			
46.	"Warranty period for components and parts of passenger cars after repair"	February, 2026	Abubakirov R. E. Chief Engineer	Branch of LLP "KTZ - Freight Transportation" - "Almaty branch of FT"	Guest Lecture	Career Development Office	Rysbayeva N.K., Head of CDO
47.	"Electric locomotive KZ8A"	February, 2026	Satybaldinov D. T. Machinist-Instructor of locomotive crews	Branch of LLP "KTZ - Freight Transportation" - "Almaty operational locomotive depot"	Guest Lecture	Career Development Office	Rysbayeva N.K., Head of CDO
48.	"Conducting maintenance of passenger cars at formation and turnover points"	February, 2026	Abubakirov R. E. - Chief Engineer	Branch of LLP "KTZ - Freight Transportation" - "Almaty branch of FT"	Guest Lecture	Department of "Rolling Stock"	Chigambayev T.O., Head of Dept.
49.	"Tariffs for mainline railway network services, as well as rules for applying tariffs for locomotive traction services, for the use of wagons and containers, and tariffs for freight and commercial work services in the transportation of goods by rail"	February, 2026	Boranova N., Lead Engineer Technologist of the Calculation Center	Branch of LLP "KTZ - Freight Transportation" - "Almaty branch of FT"	Guest Lecture	Career Development Office	Rysbayeva N.K., Head of CDO
50.	1. "Why tariffs are important for the economy and logistics" 2. "How tariffs are formed"	February, 2026	Boranova N., Lead Engineer Technologist of the Calculation Center	Calculation Center of the branch of LLP "KTZ - Freight Transportation" - "Almaty branch of FT"	Guest Lecture	Career Development Office	Rysbayeva N.K., Head of CDO

51.	"Organization of shunting work on station and access tracks"	February, 2026	Suyindik N. E., Chief Engineer of Almaty-2 station	Branch of JSC "NC "KTZ" Almaty-2 Station	Guest Lecture	Department of "Transport Services and Business"	Musabaev B.K., Ass. Prof., Ph.D. of Eng. Sciences Abibullaev S.Sh., Ass. Prof., Ph.D. of Eng. Sciences Aipenov Zh.S. Senior Lecturer
52.	"Features of container transportation of "TransMentor" LLP"	February, 2026	Zhandildin T. Zh., Development Director of "TransMentor" LLP	"TransMentor" LLP	Guest Lecture	Department of "Transport Services and Business"	Karsybayev E.E. Prof., Ph.D. of Eng. Sciences
53.	"Modern development trends of American diesel locomotives"	March, 2026	Zhanzakov A. O., Leading quality specialist for service maintenance of TE33A and TEP33A series locomotives at the Sary-Shagan service center of the Transportation Global LLC branch	LLP "Transportation Global LLC"	Guest Lecture	Department of "Rolling Stock"	Chigambayev T.O., Head of Dept.
54.	"Intelligent systems in ensuring safety during shunting operations"	March, 2026	Aikumbelev M.N., Chief Production Specialist of "TransCom" LLP	"TransCom" LLP	Guest Lecture	Department of "Transport Services and Business"	Bitileuova Z.K., Prof., Ph.D. of Eng. Sciences
55.	"Special conditions for the transportation of certain types of goods"	March, 2026	Nurmukhambetova M. A., Lead Engineer of the department of organization and conditions of transportation	LLP "KTZ - Freight Transportation" - "Almaty branch of FT"	Guest Lecture	Career Development Office	Rysbayeva N.K., Head of CDO
56.	"Mobile communication networks"	March, 2026	Ermekbaev M. M., Professor of the Telecommunication Engineering Department, Ph.D. in Technical Sciences, Dr. Phil. (PhD), Professor	NAO "AUPET named after G. Daukeev"	Guest Lecture	Department of "Radio Engineering and Telecommunications"	Musapirova G.D., Head of the RT Dept.

57.	"Operation and adjustment of the automated system of the rolling stock complex ASRS"	March, 2026	Kuanshbayev M. N., Head of the division	Almaty Signaling and Communication Division of the branch of JSC "NC "KTZ" - "Almaty branch of the main network"	Guest Lecture	Career Development Office	Rysbayeva N.K., Head of CDO
58.	"About normative-technical documents in the field of automobile roads"	March, 2026	Aidarbekov E. K., Research fellow of the department of diagnostics of roads and bridge structures	JSC "DorNII", Almaty branch	Guest Lecture	Department of "Architecture and Construction Engineering"	Murzalina G.B. Ass. Prof., Ph.D. of Engineering Sciences
59.	"Formwork for bridges and tunnels"	April, 2026	Marchuk A.A.	International construction company "PERI" (Germany)	Guest Lecture	Department of "General Engineering"	Akhmetova P.T., Ass. Prof., Ph.D. of Eng. Sciences Baidualieva A.K., Senior Lecturer Segizbay K.T.
60.	1. "Design and main technical parameters of electric rolling stock" 2. "Operation of electric rolling stock in manual mode and automatic train operation mode"	April, 2026	Aukhaliev B. K., Head of the operation workshop of the electric depot	SRE "Almaty Metro"	Guest Lecture	Career Development Office	Rysbayeva N.K., Head of CDO
61.	"LRT operation in harsh climatic conditions"	April, 2026	Onlabaev T., Technical Director	LLP "LRT", Almaty	Guest Lecture	Department of "Transport Construction"	Ismagulova S.O., Ass. Prof. of the TC Dept.
62.	"How childhood traumas affect relationships and career"	April, 2026	Sisenbayeva A.S., Assoc. Professor, Ph.D. in Pedagogy	LLP "International University of Engineering and Technology"	Guest Lecture	Department of "Language Education"	Smailova F.I., Head of the LE Dept.
63.	"Electrical installation rules"	April, 2026	Nurbekov O. Zh., Head of RES	Almaty Power Supply Division of the branch of JSC "NC "KTZ" - "Almaty branch of the main network"	Guest Lecture	Career Development Office	Rysbayeva N.K., Head of CDO

64.	"Modern methods of project management and quality assurance"	April, 2026	Tarasova M. A., Chief Specialist of the project management and quality department	LLP "NIITK", Almaty	Guest Lecture	Department of "Transport Services and Business"	Sugurova A.Zh., Ass. Prof., Ph.D. of Econ. Sciences, Eleshova Zh.B., Ph.D Igenbayeva Sh.A., Teaching Assistant, Master of Econ.Sciences Demeuova K.Zh. Head teacher
65.	"Current track maintenance"	May, 2026	Anarbekov N. N., Industrial Training Master	Almaty Track Division of the branch of JSC "NC "KTZ" - "Almaty branch of the main network"	Guest Lecture	Career Development Office	Rysbayeva N.K., Head of CDO
