**PLAN**  
**of Educational and Social Work of JSC “ALT University named after Mukhametzhan Tynyshpayev”**  
**for the 2025–2026 Academic Year**

Educational activities at JSC “ALT University named after M. Tynyshpayev” are systematic, purposeful, and interconnected actions carried out by various collective and individual educational actors (the Rectorate, departments, institutes, chairs, faculty, student associations, cultural and creative centers, sports and other structures, as well as students themselves, student self-government bodies, and other formations). These actions are aimed at supporting the professional and personal development of students, enriching their socially significant experience, creating conditions and providing opportunities for diverse personal expression, and overcoming negative trends in youth environments.

**Objective:** To create favorable conditions for the socialization, creative development, and potential of students using modern educational technologies, and to foster the personal qualities of a citizen-patriot and a professional.

The main principles of the educational activity system at JSC “ALT University named after M. Tynyshpayev” are:

- Humanism and orientation toward moral ideals and values of civil society;
- Education within the context of professional training and state youth policy;
- Integration of academic and extracurricular activities;
- Consideration of students’ cultural, psychological, social, and other characteristics;
- Combination of administrative management and student self-government;
- Variability of educational activity directions, voluntary participation, and the student’s right to choose;
- Openness, continuity, and flexibility of the educational activity system implemented at JSC “ALT University named after M. Tynyshpayev”;
- Development of a mentorship system that strengthens interaction between students and faculty;
- Use of artificial intelligence in educational and developmental activities while strictly observing ethical standards and the legislation of the Republic of Kazakhstan.
