

## Student Committee on Sustainable Development

**We are creating a sustainable future!**

The Student Committee on Sustainable Development (hereinafter referred to as the Committee) was established to increase student engagement in the implementation and promotion of the Sustainable Development Goals (SDGs).

### **Goals of the Committee:**

1. To promote the Sustainable Development Goals among students of ALT University;
2. To organize and conduct events dedicated to the environmental and social aspects of sustainable development;
3. To participate in the implementation of the "**Green Campus**" initiatives at ALT University.

### **Main tasks of the Committee:**

4. Raising student awareness about the Sustainable Development Goals;
5. Organizing and conducting thematic events (forums, workshops, environmental campaigns, eco-initiatives, challenges);
6. Participating in national and international SDG student networks;
7. Developing student startups and research projects in the context of the SDGs;

8. Implementing sustainable practices in everyday campus life (waste sorting, resource saving, green areas, etc.);

9. Running information campaigns (through social media, posters, videos) to promote the SDGs.
